Butlins Minehead is something of a jewel in the crown for ESFF. Located right on the beach yet on the doorstep of the great wilderness of Exmoor National Park, it really is a magnificent setting for a family football festival.

Over 200 boys & girls teams took part in the 2010 May Day Festival at Butlins Minehead. It's the biggest festival of its kind in the South, with youth football teams from all over England, Wales and further afield participating.

The onsite facilities at Butlins are fantastic. There's a huge variety of sports and leisure facilities, the funfair with exciting rides, superb evening entertainment venues and great places to eat and drink. The sub tropical Splash Waterworld has flumes, slides and wave machines. Then there's the new Aerial Rope Course (the biggest in Europe!!) with the stomach churning 'leap of faith' and climbing wall, the astroturf Multi-Sports Court with football and basketball courts, the funfair with free rides, the go-kart track, the crazy golf, the on site cinema, the ten pin bowling alley.....we could go on!

The evening entertainment is another key factor which sets Butlins apart from all other holiday centres. There's a huge range of entertainment on offer in the two main venues, Centre Stage and Reds along with a more relaxed feel in some of the smaller venues. You can relax with a drink or let your hair down whilst enjoying a superb family entertainment programme including live shows, bands, comedy and disco's.

Our spectacular celebrity presentation ceremony is often the highlight of the tour for our teams and is a fantastic way to end the Festival. Bryan Robson, Alan Curbishley, Sue Smith and Sir Geoff Hurst have all attended in recent years.

Self catering and half board accommodation is available in a choice of Standard, Silver, Gold and Deluxe grades. The half board option makes life even easier for the parents with a full English breakfast along with a delicious three course evening meal.
