

COMPLAINTS POLICY

From initial enquires, through to participating in our festivals, we believe that our customers are entitled to expect high standards of customer satisfaction and professionalism. We welcome suggestions on how to improve and will give prompt and serious attention to complaints received.

We anticipate that most concerns will be resolved quickly by an informal approach to the appropriate member of the ESF Events organising team at the event.

MAKING A COMPLAINT

Stage 1

In the event that you experience problems with any element of your tour, you must advise the ESF Events Officials at the event in writing, by completing a feedback/complaint form. We will attempt to resolve the issue amicably and informally at this stage.

For complaints of a safeguarding nature it is important that the formal process is followed and contact is made with the ESF Events Designated Safeguarding Lead 07947 313302 (for the duration of the festival), who will offer the relevant advice and guidance (please refer to the ESF Safeguarding Policy).

Stage 2

If Stage 1 does not provide a satisfactory outcome, we will ask your nominated Group Leader or a Club Official to submit a formal complaint in writing, within 28 days of the incident taking place. Once received, ESF Events will undertake a full investigation and endeavour to respond in a timely manner, but no later than 12 weeks.

If you fail to take either of these steps, it will affect our ability to investigate your complaint and may impact the way your complaint is dealt with.

Stage 3

In the event of any dispute arising, the dispute will be governed by the laws of England and Wales under exclusive jurisdiction of the English Courts.
