

MISSING CHILD AT AN EVENT POLICY

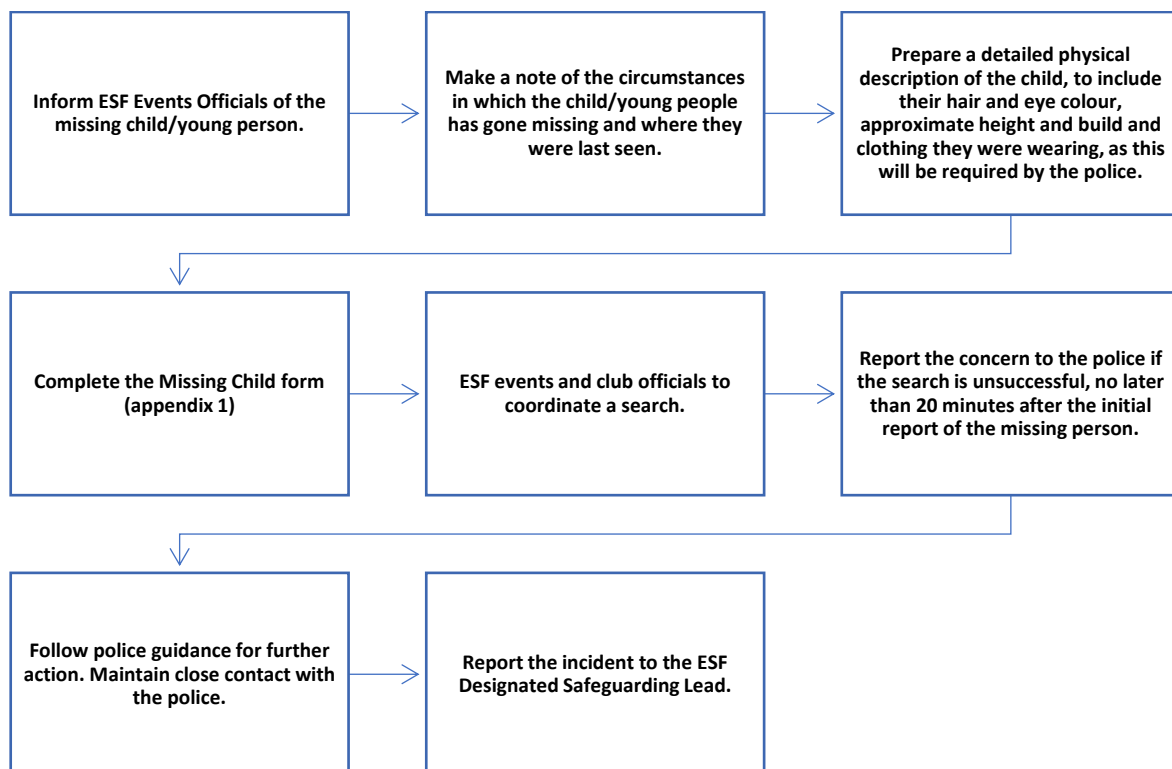

If a child/young person goes missing during an event, we will apply the following procedure:

- Inform ESF Events Officials of the missing child/young person.
- Make a note of the circumstances in which the child/young people has gone missing and where he/she was last seen. Prepare a detailed physical description of the child, to include their hair and eye colour, approximate height and build and clothing he/she was wearing, as this will be required by the police. Complete the Missing Child form (appendix 1)
- ESF events and club officials to coordinate a search.
- Report the concern to the police if the search is unsuccessful, no later than 20 minutes after the initial report of the missing person.
- Follow police guidance for further action. Maintain close contact with the police.
- Report the incident to the ESF Designated Safeguarding Lead.

Process Flowchart:

If a participant appears missing, the flow chart below identifies the process to be followed. There may be access to photographs of all young people at the event, if so, these can be used to help provide the police with a description should this be necessary.
